College of Accountancy and Economics

Dear Fellow Alumni:

- How long has it been since you last visited our College?
- Will it interest you to know that, in our Accountancy Program, we have consistently been ranked as among the Top Schools of Accountancy in the Philippines?
- In our continuing tradition of academic excellence, our Accountancy and Economics programs have consistently produced quality graduates. Along with the rest of our fellow alumni, would you like to know how they are now?

Our college has since evolved from a College of Commerce up until the 80's to the College of Business Administration in the 90's. And from 2003, it is now called the College of Accountancy and Economics.

This year is a milestone year for us, as we prepare the mechanisms to welcome you back to your Pamantasan and to your College. We would like you to become major stakeholders in charting the future and continuing academic excellence of graduates of our Accountancy and Economic Programs.

Today, we knock on your hearts to come and visit us again at PLM. We also invite you to join us for dinner in the First Alumni Homecoming of the College of Accountancy and Economics on Saturday, November 21, 2009, 7:00 o'clock in the evening at the PLM University Activity Center. In this gathering, we would like to discuss with you the following:

1. Launching of the PLM College of Accountancy and Economics Alumni Association, and
2. Launching of a Scholarship Program for Students of Accountancy and Economics.

We are already excited in our preparations. And we are even more excited on your confirmation to attend and join us for the homecoming! Please do come. Your presence will contribute to the success of this activity.

Sincerely yours,

Nonalyn L. Vengco-Gesalan, CPA, MBA
