

# ANNOUNCEMENT

on the FREE campus-wide Internet  
benefit for the PLM community

Pursuant to the earlier approval of Acting President Rafaelito Garayblas to provide Internet Services to the PLM community, PLM has resumed the FREE Internet access for its valued constituents or stakeholders. This benefit aims to ensure the academic competitive advantage of our scholars and faculty members, as well as the operational efficiency of our administrative services.

In accordance with the clearance by EVP Gladys France Palarca to proceed with the technical service management, **scholars** who are interested to avail of access accounts are advised to send a request to **PLMneedsinternet@plm.edu.ph** thru their formal-looking and corporate-sounding official PLM email accounts <@plm.edu.ph>.

Pls. copy and answer this simple survey in your PLM email:

Purpose:

Ex.: For research and thesis

As an academic institution, do you  
find this as an important  
or essential service in PLM?

Ex.: Yes, No

Once your account is activated, we will send back a notification with your log-in account and password.

**Employees** who were and yet to be endorsed by their directors/deans/chiefs pursuant to Memo ITC-10-0115-03 and Memo ITC-10-0128-01 are to be provisioned accordingly.

**Freshmen** and **new employees** will have a schedule for creating their official PLM email accounts <yourname@plm.edu.ph>.

**The Library Internet Station has since been activated for Internet.**
